Spring 2006 Meeting at Oscar's in Temecula

- This will be a great time to **test-drive** your Imperial before driving it to Solvang for the Statewide Meet.
- We'll **plan** the caravans going to the Statewide Meet.
- **Remember** the **April 5 (postmark) deadline** to register your car for the Statewide Meet!
- We **need** your input on **future** club events/tours!
- We are planning a **great year!**

Oscar?

**Don't forget to wear your club name badge –
you may win the \$10 drawing!**

To get to Oscar's: from the I-15 in Temecula, take the Rancho California Rd. exit, and head east – it's just a block or so on the right hand side, up on a knoll overlooking a small lake!

Look for a colored dot on this flyer.
If the dot is **GREEN**, you are paid up for 2006! Thanks!
If the dot is **RED**, we still haven't received your dues.
After March 31 your name will be removed.
